

# SA National Figure Skating Championships Draw Procedure

## DRAW PROCEDURE

- 1 Upon completion of the awards, the draw will be announced
- 2 The Nationals referee - Mr Neil Garrard will draw between 1 -4 to decide which Provinces athletes will be commencing the draw first
- 3 This will be the same for all the sections.  
1) CGFSA - 2) GNFSA - 3) KZNFSA - 4) WPFSA
- 4 The announcer will ask Mr Garrard, Dreyer, Jacobs and Mrs Brits to approach the table at the center of the ice.
- 5 A member from the LOC will bring the caddy with the draw items to the table at the end of the carpet.
- 6 The section and officials will be announced. All athletes from that section will be called onto the ice from their individual corners and stand in a socially distant line facing the officials
- 7 The first skater of the province selected earlier will be called forward by the referee to draw from the caddy being overseen by the TC
- 8 After revealing their number, they exit the ice immediately to their respective Provincial corners.
- 9 The second skater will then be called and the procedure will be the same
- 10 Upon completion of the draw for that section, the order of skate will be announced in full before starting the procedure from point 4 for the next section.
